# LifeTime Outlook

*April 2002*

## Great Job Pinheads!

This year we had four lanes for Bowling for Jason's Friends. Both members and staff participated by raising *money and bowling* for one of our favorite causes. We had more fun than most. The volume meter was high on our end of the lanes. Let's get more members involved next year. You are guaranteed one great hour of hoots and high fives!

*Thanks to all who  
participated.*
